Whether crisis or not. We protect you. Anytime

We have been successfully active in the field of food distribution over the world for more than 15 years. Hygiene became a world-topic in the last months. For us it is a constant companion since the last years. Here is our latest update.

001 **PATENTED coating** against microorganism
Viruses, bacteria, spores, fungi, COVID 19 are disabled!

_Infection is stopped immediately!
_saves time to disinfect immediately!
_saves disinfection liquid immediately!

12 months guaranteed! **Areas = frequently touched surfaces**

door handles, handrails, glass fronts, trolleys, shelves, tables, stands
Interface supplier (internal/external customers)
